

All the Poems in the Universe

By Uswah Ghani

All the poems in the universe
The thoughts so diverse
Wouldn't explain my love for you
Muhammad (Salla lahu alayhi wa salim)
Every picture I have drew
Wouldn't explain my love for you
Muhammad (Salla lahu alayhi wa salim)
You taught us how to do everything
That you have learned from the King of kings
Truly you a mercy to mankind
The greatest man anyone can ever find
I love you from the bottom of my heart
Because you warned us of our depart
Of this temporary world of ours
And not to have worldly scars
Many people think that our religion is contrary
For they do not know that their life is temporary
I have empathy
For the ones who have rejected
For when they are resurrected
They will wish they had accepted

I am waiting for the days
When I get to see the rays
Coming from your face
Muhammad (s)
