

Salamu alaikum, dearest of them all our Prophet Muhammed (saws),

I just want to say thank you for what you did to help our religion

For you, anything, because of the happiness you bring

For you, anything, because of your love you pass on

For you, anything, because of your courage you show

For you, anything, because of your kindness you give

For you, anything, because of your beauty you show

For you, anything, because of your TAQWAA of which you have so much of

For you, anything, because of the blessing that comes from you

For you, anything, because of ISLAM the religion you passed on

Just one salaam from you is enough to make my eyes swell with tears

And the day i meet you will be a dream come true

Each day that passes

The thought of not being with you makes me want to cry

Yet you, yourself are secretly near by
